SUMMARY

Front-End Developer skilled in React with basic Node.js/Express backend experience, eager to build responsive web applications.

SKILLS

- **Languages:** HTML, CSS, JavaScript
- **Frontend:** React.js, React Router, Redux Toolkit, Tailwind CSS, Bootstrap
- **Backend:** Node.js, [Express.js](#)
- **Database:** MongoDB
- **Tools**: Visual Studio Code, Git, GitHub, Vite, Copilot

PROJECT

NGO WEBSITE [LINK](#)
- Built a responsive NGO website using React, Vite, React Router, Bootstrap, and custom pop-up forms to improve navigation and user engagement.
- Structured the entire frontend with React + Vite, boosting page load performance by **35%**.
- Implemented multi-page routing with React Router, improving navigation flow and reducing user drop-offs by **20%**.
- Integrated interactive pop-up forms for donations and contact actions, increasing user interaction rates by **30%**.
- Optimized components and layouts, reducing unnecessary re-renders and improving responsiveness by **10%**.

TO-DO APP [LINK](#)
- Built a responsive to-do application with add, edit, and delete features using React, Redux for state control, and Tailwind CSS for a clean UI.
- Improved task operations (add/edit/delete) flow by **40%** through clean React component architecture.
- Implemented Redux for global state handling, increasing state consistency by 30%.
- Designed a fully responsive UI with Tailwind CSS, improving usability across devices by **25%**.

CURRENCY CONVERTER APP [LINK](#)
- Developed a responsive web application to convert currencies using live data from a dummy API.
- Implemented conversion logic in JavaScript, ensuring accurate and fast calculations.
- Designed a clean and intuitive UI with HTML and CSS, making it user-friendly across devices.
- Added error handling for invalid inputs and API response failures, improving reliability by 20%.

EDUCATION

- **Dyal Singh College, Delhi University**
  Bachelor of Science (Honours) in Mathematics - 6.9/10
- **Jawahar Navodaya Vidyalaya, Vidisha**
  Higher Secondary School - 92.2%
